## Use of Property Questionnaire

In order for the District to comply with water use standards that are to be set by the state in the future, we need to obtain a more complete understanding of the factors that determine water usage in our service area. Special considerations may include swamp coolers, medical necessity, or livestock.

Please complete the following questionnaire as thoroughly as possible.

- Property description:  Single Family Residence  Multi-Unit Residence  Commercial Property  
 Multiple Dwellings on Same Property  Vacant Land  Orchard  Farm
- Construction Type:  Standard Construction  Mobile or Modular
- The property will be occupied on a:  Part-time basis  Full-time basis
- Will the number of full-time residents exceed 4 people?  Yes  No
- Does the property include any outdoor landscaping?  Yes  No

If yes, please describe what type (grass, trees, plants or any landscape that requires watering) and how many:

---

---

- Will the property be used for agricultural purposes?  Yes  No

If yes, please describe what type (includes the production, harvest, processing and manufacture of products such as trees, plants, fruits or vegetables, etc.) and the amount of acreage to be used:

---

---

- If the property is to be used for agricultural purposes, please describe your intended irrigation system (type of system) and water volume needs (gallons per plant/tree/hour/day, etc.):

---

---

- If livestock is to be kept on the property, please describe what type (cows, horses, pigs, goats, etc.) and how many of each animal:

---

---

I, \_\_\_\_\_, hereby certify that the information above is true to the best of my knowledge. I understand that use inconsistent with normal household usage could lead to the requirement to upsize the meter and/or pay additional connection fees based on actual usage. Further, I understand my service can be disconnected for violation of the District's Rules and Regulations.

## Acknowledgement of District Water Conservation Measures and Restrictions

Date \_\_\_\_\_ Account Number \_\_\_\_\_

I understand that I have the right to use my property in any legal way as permitted. I understand that making certain choices may affect my water use and that any use that falls outside of the definition of beneficial use, or use that violates the District's Ordinance 2021-02, may be subject to fines, additional water charges, shut off for violations, and/or the requirement to upgrade my meter size. The District is currently in Stage 2 of its water conservation ordinance which prohibits certain water wasting activities.

Further, I acknowledge that I have received the following documents:

- "Conservation – It's Our Way of Life" (The District's guide to Ordinance 2021-02)
- The District's Guide to Water Conservation
