# INTRODUCTION

# Introductions

- Please share your name and affiliation.
- What is your recreational focus (i.e., baseball, soccer, etc.)?
- Are you a resident of Phelan?
- Age range (i.e., 20s, 30s, 40s, etc.)?

# Project Overview & Background

- Phelan / Piñon Hills community wide Parks Master Plan completed in 2018.
- Phelan / Piñon Hills Community Services District (PPHCSD) recently purchased land for expansion of the existing community park and for a civic center.
- Hired project architect and engineer for civic center site. Added KTUA for assistance on civic center and to consult on design for community park in May 2020.

# Prop 68 Grant Funding

- Last round of the statewide Prop 68 grants (around 400 million dedicated to parks throughout California)
- Park qualifies for this grant given the lack of parkland in the area
- Considering this is an expansion of parkland, we don't get the full points for a new park
- Major selection criteria includes
  - Project Location
  - Community Engagement
  - Operation and Maintenance Considerations
  - Summary About Project Needs, Benefits, & Readiness

### Opportunities

1. Connection to neighborhood
2. Existing park with infrastructure to use and connect into park
3. Possible future connections to elementary school
4. Flat/Graded area that connects to Sheep Creek Rd.
5. Connection to existing community center
6. Connections through Warbler Rd.
7. Possible connections from Sheep Creek Rd.
8. Gentle slope on site which could be used for views and to allow for directional drainage

### Constraints

9. Strong winds from the southwest
10. Joshua Tree grove (speciman plants - over 10 in one area)
11. Adjacent homes along this edge requiring a buffer

### Assets

12. Views to mountains
13. Views to valley
14. Existing native vegetation
15. Circulation outside of site from existing elementary school parking lot

### Liabilities

16. 100 Year floodplain, improper drainage (flash floods) and possible poor soil conditions

### Definitions for L.O.C.A.L. elements:

- Opportunity: Something that does not currently exist but an opportunity to add based on site conditions does exist.
- Constraint: Something that exists but can't be changed.
- Asset: Something that exists that should be protected or enhanced.
- Liability: A condition on site that is negative and should be changed.

WARBLER ROAD

A wide-angle photograph of a baseball field during the day. The field is green with a brown infield. Several people are scattered across the field, some appearing to be playing or watching. In the background, there are trees, a water tower, and some buildings under a clear blue sky. A yellow protective covering is visible along the bottom right edge of the frame.
