**Subject:** Dump Cards

I make numerous dump loads every spring and summer to help fireproof my property. I live on a 27 acre parcel bought by my dad in 1968 and it requires the continual removal of dead trees, dead branches and numerous weeds to keep it fire safe. If you stop the dump cards that would be TERRIBLE!!! We don't live in housing tracts in the high desert and we need to be treated differently than those who do. Please reconsider discontinuing the dump cards.

Sincerely

Dan Adams
