The capacity fee report was made available for public review in the District Office and on the District's website in accordance with applicable law. Compliance with all legal requirements for this hearing within the manner and time specified by California Law.

3) Staff's Report

Mr. Bartz reported that District staff engaged IB Consulting, LLC to complete a capacity fee study as the last study and modification took place in 2013. A capacity fee is a charge for public facilities in existence at the time a charge is imposed, or charge is incurred for new facilities to be constructed in the future, that is a benefit to the person or property being charged.

Capacity fees ensure new development pays its fair share to connect to the system and does not cause additional burdens to current customers. Capital and infrastructure costs required to meet new demand for connections should be paid by those causing the cost to be incurred.

Based on the Study, the capacity fee component of the District's connection charges would increase from \$7,970 to \$10,951 for a 1" meter connecting to the system. The District's capacity fee has not increased since 2013.

4) Public Comment, Protests, and Objections

There were no public comments, protests, or objections.

Discussion & Possible Action Regarding
Temporary Use Agreement with Asplundh
Construction for APN 3098-017-01

MEMORANDUM

DATE: May 24, 2023

TO: Board of Directors

FROM: Don Bartz, General Manager
By: Kim Sevy, HR & Solid Waste Manager/District Clerk

SUBJECT: Discussion & Possible Action Regarding Temporary Facility Use Agreement with Asplundh Construction for APN 3098-017-01

STAFF RECOMMENDATION

For the Board to approve the Temporary Facility Use Agreement with Asplundh Construction for APN 3098-017-01.

BACKGROUND

On March 3, 2021, Asplundh Construction began utilizing APN 3066-26-110, the vacant lot next to the District Office, for a light duty construction yard for the storage of commercial autos, trailers, and equipment for the jobs in which it is involved in. The initial facility use agreement was for \$2,500 per month for a term of 8 months.

In November 2021, Asplundh Construction requested an extension and has been paying \$5,000 per month since that time. The District will require use of APN 3066-26-110 as early as July of 2023 and proposed an alternative parcel for Asplundh Construction to utilize. The term will begin July 1, 2023, and will last for 3 years with a rate of \$6,500 per month.

FISCAL IMPACT

Revenue of \$6,500 per month; \$234,000 for the term.

Existing Facility Use Agreement

FACILITY USE AGREEMENT

THIS AGREEMENT is made this 24th day of May 2023, by and between PHELAN PINON HILLS COMMUNITY SERVICES DISTRICT, a public agency (hereinafter “the District”), and Asplundh Construction, Inc. (hereinafter “User”).

RECITALS

A. The District is the owner of certain real property, APN #3098-017-01, located at 4093 Olivera Road, Phelan, California 92371 (“the Property”).

B. User wishes to temporarily use approximately seven (7) acres of the Property as depicted in Exhibit “A” attached hereto and incorporated herein by this reference (“the Premises”) for the purpose of operating a dust-free, light duty construction yard for the storage of commercial autos, trailers, and equipment for the jobs in which it is involved thereon.

C. The purpose of this Agreement is to set forth the terms and conditions under which the District will permit User to temporarily use the Premises.

COVENANTS

NOW THEREFORE, in consideration of the preceding Recitals and the mutual Covenants contained herein, the parties hereto agree as follows:

Section 1. TEMPORARY USE OF PREMISES

Subject to User's satisfactory compliance with all of the terms and conditions set forth herein as determined by the District in the exercise of its sole discretion, the District hereby permits User to temporarily use the Premises beginning on or about July 1, 2023, and ending June 30, 2026, in the limited manner as strictly provided in this Agreement and in accordance with all rules, regulations, and requirements of the District. Notwithstanding anything to the contrary, the District expressly reserves the right and prerogative to revoke such permission, adjust the location of the Premises, and to terminate User's entitlements herein at any time in the exercise of the District's sole discretion.

Section 2. FEES

(a) Amount. In consideration for temporary use of the Premises, User shall pay a fee to the District in an amount of \$6,500 per month (“Fee”) prior to the beginning of the Term.

(b) Security Deposit. Concurrently with User’s execution of this Agreement, User shall deposit with the District a cash sum in the amount of \$2,500 (“Security Deposit”). The District shall hold the Security Deposit as security for the performance of User’s obligations under this Agreement. If User defaults on any provision of this Agreement, the District may (but

shall not be required to), without prejudice to any other remedy it has, apply all or part of the Security Deposit to: (1) the Fee or any other sum in default; (2) any amount that the District may spend or become obligated to spend in exercising the District's rights under this Agreement; and/or (3) any expense, loss, or damage that the District may suffer due to User's default. User waives the provisions of California Civil Code Section 1950.7, and all other provisions of law now in force or that become in force after the date of execution of this Agreement, that provide that the District may claim from the Security Deposit only those sums reasonably necessary to remedy defaults in the payment of the Fee, to repair damage caused by the Tenant, or to clean the Premises. User and the District agree that the District may, in addition, claim those sums reasonably necessary to compensate the District for any other foreseeable or unforeseeable loss or damage caused by the act or omission of User or User's officers, agents, employees, independent contractors, or invitees.

Section 3. PURPOSE OF USE

User's use of the Premises shall be strictly limited to utilizing the Property as a dust-free, light duty construction yard for the storage of commercial autos, trailers, and equipment for the jobs in which it is involved in. A job site trailer/office will also be stored on the property. Use of the Property shall be in a reasonable and lawful manner that is not otherwise inconsistent with the terms and conditions of this Agreement and any and all requirements of the District. User agrees not to use or permit the use of the Premises for any purpose not specifically allowed in this Agreement and any amendments thereto without first obtaining prior written consent from the District. User also agrees to exercise due diligence in the protection of the Premises from damage or destruction by fire, vandalism, earthquake, floods, or other cause.

Section 4. NO WASTE, NUISANCE, OR UNLAWFUL USE

User shall not commit, or allow to be committed, on the Property any waste thereon, nor the presence, use, manufacture, handling, generation, storage, treatment, discharge, release, burial, or disposal of any hazardous substance which is or becomes listed, regulated, or addressed under any federal, state, or local statute, law, ordinance, resolution, code, rule, regulation, order or decree, nor create or allow any nuisance to exist on the Property, nor permit any unlawful or undocumented workers on the Property, nor use or allow the Property to be used for any illegal or unconstitutional purpose. User, at its sole cost and expense, shall be solely responsible for ensuring that the Premises, and User's use and occupancy thereof, complies with all of the requirements of all local, state, and federal authorities now in force, or which may be in force, including but not limited to those identified in Section 10 of this Agreement.

Section 5. REPAIRS AND MAINTENANCE

User, at its own expense, shall be responsible for all costs associated with any repair and/or replacement of the Premises caused by the acts or omissions of User and/or its officers, employees, volunteers, agents, guests, and/or invitees. User shall not alter the Premises nor construct any improvements thereon without the prior written consent of the District. User shall install, and maintain in good condition, privacy skirting along fencing.

Section 6. ACCESS TO PREMISES AND OTHER PROPERTY INTERESTS

The District shall have full access to the Premises at all times. User's rights under this Agreement are subject to all applicable leases, agreements, easements, licenses, rights of way, and other property rights currently in existence. User shall not interfere, in any way, with the interests of any person or entity that may presently, or in the future, hold any easement, license, right of way, or other interest, upon, across, above, or under the Property; nor shall User interfere, in any way, with the rights of ingress and egress of such interest holders. The District further reserves the right to grant additional leases, agreements, easements, licenses, and/or rights of way to other parties as may be deemed necessary by the District in its sole discretion, including such arrangements as the District may make with other parties for their use of the Premises. User will have access to storage as determined by the General Manager or his/her designee. Use of the District's electronic sign will be available subject to the District's Electronic Sign Policy.

Section 7. NON-DISCRIMINATION

User shall not permit any practice of discrimination against, or segregation of, any person or group of persons on account of sex, race, color, creed, marital status, age, sex, religion, handicap, national origin, or ancestry in its enjoyment, use, and/or occupancy of the Premises.

Section 8. NO REPRESENTATIONS OR WARRANTIES

It is expressly understood by User that the physical condition of the Premises as of the effective date of this Agreement is such that if the temporary use thereof is provided to User as-is without any representation or warranty. The District makes no express or implied representations or warranties concerning the Property or its fitness for any particular purpose. User shall bear the costs of any action necessary to place the Premises in a condition that meets the requirements of law or that is otherwise suitable for the use contemplated herein. The District shall not be held liable to User or to any other party for any losses incurred or damages sustained as a direct or indirect result of the condition of the Property or any use or failure thereof.

Section 9. LIABILITY FOR DAMAGES

The District shall not be held liable or responsible for any debts or claims that may arise from the operation of this Agreement, or for any damage claims for injury to persons, including User and its agents or employees, or for property damage, or for other loss to any vehicle or the contents thereof, from any cause arising out of or in any way related to User's obligations hereunder or its use or occupancy of the Premises, including those arising out of damages or losses occurring on the Property or areas adjacent thereto.

User hereby expressly waives and releases the District and its agents, officers, directors, and employees from any and all liability for the claims, actions, and/or losses set forth above and

for any costs and expenses incurred in connection therewith. Notwithstanding the provisions of California Civil Code ' 1542, which provides as follows:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party”

User expressly waives and relinquishes all rights and benefits afforded to User thereunder and under any and all similar laws of any state or territory of the United States with respect to the claims, actions, and/or losses referenced in the first paragraph of this section. This Agreement shall act as a release of future claims that may arise from the aforementioned whether such claims are currently known, unknown, foreseen, or unforeseen. User understands and acknowledges the significance and consequences of such specific waiver of Civil Code ' 1542 and hereby assumes full responsibility for any injuries, damages, losses, or liability that may result from the claims identified above. If requested by the District, User must also require all individuals participating in activities on the Property to duly execute a written release on a separate form approved in writing by the District and filed with the District.

Section 10. HOLD HARMLESS

Excepting the sole or active negligence or willful misconduct of the District, User agrees to indemnify and hold the District and its officers, directors, agents, and employees, harmless from and against all claims and liabilities of any kind arising out of, in connection with, or resulting from, any and all acts or omissions on the part of User and/or its subtenants, agents, guests, invitees, trespassers, contractors, consultants, and employees in connection with the performance of their obligations under this Agreement or their use, possession, and/or occupancy of the Premises, and defend the District and its officers, directors, agents, and employees from any suits or actions at law or in equity and to pay all court costs and counsel fees incurred in connection therewith.

In addition, User agrees to defend, indemnify, and hold the District and its officers, directors, agents, and employees harmless from and against and all claims, losses, liabilities, damages, demands, actions, judgments, causes of action, assessments, penalties, costs, expenses (including, without limitation, the reasonable fees and disbursements of legal counsel, expert witnesses, and accountants), and all foreseeable and unforeseeable consequential damages which might arise or be asserted against the District and/or User, with regard to the condition of the Property or the activities conducted thereon, which are alleged and/or determined to be tortious and/or in violation of present and future federal, state, and local laws (whether under common law, statute, rule, regulation, or otherwise).

Section 11. INSURANCE

(a) Security. The District reserves the right to demand at any time during the term of this Agreement and any extensions thereof that User procure and maintain bonds from an acceptable surety, cash deposits, or other form of security in amounts and upon terms deemed sufficient by the District in its sole discretion to protect the District from any and all exposure to loss or liability.

(b) Coverage. In addition, User shall procure and maintain during the term of this Agreement and any extensions thereof such policies of insurance as will protect it and the District in such a manner and in such amounts as set forth below. The premiums for such insurance coverage shall be paid by User. The failure to comply with these insurance requirements may constitute a material breach of this Agreement at the sole discretion of the District.

(1) Certificates of Insurance. No later than ten (10) calendar days after execution of this Agreement, User shall furnish the District with Certificates of Insurance and endorsements verifying the insurance coverage required by this Agreement is in full force and effect. The District reserves the right to require complete and accurate copies of all insurance policies required under this Agreement.

(2) Required Provisions. The insurance policies required by this Agreement shall include the following provisions or have them incorporated by endorsement(s):

(i) Primary Coverage. The insurance policies provided by User shall be primary insurance and any self-insured retention and/or insurance carried by or available to the District or its employees shall be excess and non-contributory coverage so that any self-insured retention and/or insurance carried by or available to the District shall not contribute to any loss or expense under User's insurance.

(ii) Additional Insured. The policies of insurance provided by User, except Workers' Compensation, shall include as additional insureds: the District, its directors, officers, employees, and agents when acting in their capacity as such in conjunction with the performance of this Agreement. Such policies shall contain a "severability of interests" provision, also known as "Cross liability" or "separation of insured".

(iii) Cancellation. Each certificate of insurance and insurance policy shall provide that the policy may not be non-renewed, canceled (for reasons other than non-payment of premium) or materially changed without first giving thirty (30) days advance written notice to the District, or ten (10) days advance written notice in the event of cancellation due to non-payment of premium.

(iv) Waiver of Subrogation. The insurance policies provided by User shall (1) contain a waiver of subrogation against the District, its directors, officers, employees and agents for any claims arising out of this Agreement, or (2) allow User to waive subrogation, in writing, before any loss, in which case this provision of the Agreement shall be

deemed to be User's written waiver of subrogation against the District for any and all losses covered by any and all insurance policies required under this Agreement.

(v) Claim Reporting. User shall not fail to comply with the claim reporting provisions or cause any breach of a policy condition or warranty of the insurance policies required by this Agreement that would affect the coverage afforded under the policies to the District.

(vi) Deductible/Retention. If the insurance policies provided by User contain deductibles or self-insured retentions, any such deductible or self-insured retention shall not be applicable with respect to the coverage provided to the District under such policies. User shall be solely responsible for any such deductible or self-insured retention and the District, in its sole discretion, may require User to secure the payment of any such deductible or self-insured retention by a surety bond or an irrevocable and unconditional letter of credit.

(3) Insurance Company Requirements. User shall provide insurance coverage through insurers that have at least an "A" Financial Strength Rating and a "VII" Financial Size Category in accordance with the current ratings by the A. M. Best Company, Inc. as published in *Best's Key Rating Guide* or on said company's web site. In addition, any and all insurers must be admitted and authorized to conduct business in the State of California and be a participant in the California Insurance Guaranty Association, as evidenced by a listing in the appropriate publication of the California Department of Insurance.

(4) Policy Requirements. The insurance required under this Agreement shall meet or exceed the minimum requirements as set forth below:

(i) Workers' Compensation. User shall maintain Workers' Compensation insurance as required by law in the State of California to cover User's obligations as imposed by federal and state law having jurisdiction over User's employees and Employers' Liability insurance, including disease coverage, of not less than \$1,000,000. Even if User contends that it has no employees, User shall obtain a policy to cover its potential exposure on a payroll basis of "if any" for the workers' classification applicable to User's occupancy under this Agreement.

(ii) General Liability. User shall maintain Comprehensive General Liability insurance with a combined single limit of not less than \$1,000,000 per occurrence or claim and \$2,000,000 aggregate. The policy shall include, but not be limited to, coverage for bodily injury, property damage, fire legal liability, personal injury, products, completed operations and contractual to cover, but not be limited to, the liability assumed under the indemnification provisions of this Agreement. In the event the Comprehensive General Liability insurance policy is written on a "claims made" basis, coverage shall extend for two years after expiration or termination of this Agreement.

(iii) Automobile Liability. User shall maintain a Commercial Automobile Liability insurance with a combined single limit for bodily injury and property

damage of not less than \$2,000,000 each occurrence for any owned, hired, or non-owned vehicles.

(iv) Property Insurance. User shall maintain property insurance in an amount sufficient to cover the full replacement cost for (1) any physical damage to or destruction of any and all structures, improvements, or other real property (not including the land) on the Property, and (2) any physical damage to or destruction of any and all personal property of any person, other than User, that is on the Property. The determination of the specific dollar amounts of property coverage that will be sufficient for this section shall be in the sole discretion of the District.

(v) Manner of Satisfaction. The insurance required in subsections (ii) through (iv) above may be provided by separate policies of insurance or combined into a single package policy.

Section 12. EFFECT OF DISTRICT'S WAIVER

Any failure by the District to enforce any provision of this Agreement, or any waiver thereof by the District, shall not constitute a waiver of its right to enforce subsequent violations of the same or any other terms or conditions herein.

Section 13. ATTORNEYS' FEES

If either the District or User is the prevailing party in any legal dispute caused by the non-prevailing party, which said legal dispute arose out of, under, in connection with, or in relation to this Agreement, and any amendments thereto, or the breach thereof, the prevailing party shall be entitled to receive from the non-prevailing party all attorneys fees and costs actually incurred by the prevailing party in connection therewith. In any such action, arbitration, mediation, or other proceeding, the entitlement to recover attorney's fees and costs will be considered an element of costs and not of damages.

Section 14. NOTICE

All notices, demands, or other writing in this Agreement required to be given or made or sent, or which may be given or made or sent, by either party hereto to the other, shall be deemed to have been fully given or made or sent when in writing and deposited in the United States mail, certified and postage prepaid, and addressed as follows:

To the District: Phelan Pinon Hills Community Services District
4176 Warbler Road
P.O. Box 294049
Phelan, CA 92329-4049
Attention: General Manager

To User: Asplundh Construction
7431 Walnut Ave

Buena Park, CA 90621
Attn: Josh Stewart, Region 211 Regional Manager

The address to which any notice, demand, or other writing may be given or made or sent to any party as above provided may be changed by written notice given by such party as above provided.

Section 15. SUCCESSORS AND ASSIGNS

User shall not sublet, assign, mortgage, pledge, hypothecate, or otherwise dispose of the Property, or any part thereof, or any right or privilege connected therewith, or to allow any other person, except User's agents and employees, to occupy the Property or any part thereof, without first obtaining the written consent of the District. Any such consent by the District shall not constitute consent to any subsequent assignment, sublease, or occupation by User or other persons. User's unauthorized assignment, sublease, or license to occupy shall be void, and shall terminate this Agreement at the District's option. User's interest in this Agreement is not assignable by operation of law, nor is any assignment of its interest herein, without the written consent of the District.

Section 16. INUREMENT

This Agreement and the covenants and conditions hereof apply to and are binding upon the heirs, successors, legal representatives, and assigns of the parties hereto.

Section 17. INTEGRATION AND AMENDMENT

This Agreement constitutes the entire understanding of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements, whether oral or written, between the parties in connection therewith. This Agreement may not be amended unless in writing and signed by both parties hereto.

Section 18. CAPTIONS

The captions of sections and subsections of this Agreement are for reference only and are not to be construed in any way as a part of this Agreement.

Section 19. INTERPRETATION AND ENFORCEMENT

This Agreement shall not be construed against the party preparing it, but shall be construed as if both parties jointly prepared this Agreement and any uncertainty or ambiguity contained herein shall not be interpreted against the party responsible for the drafting thereof. This Agreement shall be enforced and governed by and under the laws of the State of California, and venue for any action brought to interpret and/or enforce any provision of this Agreement shall be in a state or federal court located in the State of California with jurisdiction in the County of San Bernardino.

Section 20. TIME OF THE ESSENCE

Time is of the essence in this Agreement and each and every provision thereof.

Section 21. AUTHORITY

The persons executing this Agreement hereby represent and warrant that they are fully and duly authorized and empowered to so execute on behalf of each of the respective parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers as of the date first above written.

Discussion & Possible Action Regarding
Chromium-6 Mitigation Projects

MEMORANDUM

DATE: May 24, 2023

TO: Board of Directors

FROM: Don Bartz, General Manager
By: Sean Wright, Water Operations Manager

SUBJECT: Discussion & Possible Action Development for Ongoing Chromium-6 Mitigation

STAFF RECOMMENDATION

Staff recommends the Board authorize staff to move forward with the development of projects necessary for Chromium-6 maximum contaminant level (MCL) mitigation in anticipation of upcoming California Department of Water Resources (CDWR) recommendations and State Water Board adoption.

BACKGROUND

On July 1, 2014, the California Department of Public Health (CDPH) established a Chromium-6 MCL of 10 µg/L. In response, the District began working to mitigate Chromium-6. On May 31, 2017, the Superior Court of Sacramento County invalidated the CDPH's mandate, citing improper economic feasibility research. However, the court ordered the State Water Resources Control Board to adopt a new MCL for Chromium-6.

With this in mind, the District must continue with the development of projects necessary to mitigate Chromium-6 levels and staff is seeking approval to move forward with the development of the following staff and Engineering Committee-recommended projects:

Completed Chromium-6 Mitigation Projects

- Well 6A: Prior to profiling the well was producing 210 gallons per minute with a Chromium-6 concentration of 9.8 µg/L. Upon completion of well profiling, the concentration was reduced to 5 µg/L at a flow of 390 gallons per minute.
- Well 6B: Prior to profiling, the well was producing 230 gallons per minute with a Chromium-6 concentration of 9.9 µg/L. Upon completion of well profiling, the concentration was reduced to 5 µg/L at a flow of 290 gallons per minute.
- Well 10 has been profiled and a pneumatic packer was strategically placed in the column while adjusting the pump setting. Prior to profiling, the well was producing 560 gallons per minute with a Chromium-6 concentration of 15 µg/L. Upon completion of well profiling, the concentration was reduced to 8.8 µg/L at a flow of 500 gallons per minute.
- Well 9A has been equipped for production, producing 120 gallons per minute with a Chromium-6 concentration of 0 µg/L.

- Well 15: Additional Chromium-6 free source capacity; the land has been acquired, the well has been drilled, the transmission pipeline has been installed, and well-head work has begun.
- 929 Acre Feet of water rights were purchased for hexavalent chromium mitigation.
- Testing of wells 23, 24, 25
- SCADA server upgraded to account for modified operations.

Proposed Chromium-6 Mitigation Projects

- Well 12 outfitting with a pneumatic packer to mitigate Chromium-6 intrusion.
- Addition of Well 16
- 6A Storage Reservoir
- Acquisition of Additional Water Rights
- Profile Well 14

SUBJECT: Discussion & Possible Action Regarding SouthWest Pump and Drilling Contract Payment for Well 15.

STAFF RECOMMENDATION

Staff recommends the Board approve the attached SouthWest Pump and Drilling (Contractor) application for payment for services and materials furnished at Well 15.

BACKGROUND

The District contracted with SouthWest Pump and Drilling on May 18, 2022, to drill Well 15 located on Azalea Rd. The contractor commenced work on November 29th, 2022. The original contract price was \$1,013,480 with a clause included stipulating "In the event of a price increase on the casing, the price increase will be invoicing cost-plus Green Book Standard for Material Mark-up".

\$1,555,000 is budgeted for the fiscal year 2022/23 for the drilling and equipping of Well 15. Progress payment No. 4 is part of the contract awarded by the board on May 18, 2022.

FISCAL IMPACT

Budgeted: \$1,555,000

Progress Payment No. 4: \$ 42,538.72

Discussion & Possible Action Regarding
Purchase of Mini-Excavator & Hydraulic
Tilt Trailer

MEMORANDUM

DATE: May 24, 2023

TO: Board of Directors

FROM: Don Bartz, General Manager
By: Sean Wright, Water Operations Manager

SUBJECT: Discussion & Possible Action Regarding the Purchase of a New District Mini-Excavator & Hydraulic Tilt Trailer

STAFF RECOMMENDATION

Staff recommends the Board approve the purchase of a new Kubota U55-5R1A Excavator with a quick coupler and angle blade from Apex Equipment and a 7 X 20 14K Hydraulic Tilt Trailer from Trailersplus.

BACKGROUND

The District currently operates a 2018 Case 580 Super N and 1995 Case 580 Super N Backhoe which are the District's sole means of excavation. The looming California Air Resources Board mandate will soon require that the District retire or place on low-use exemption its 1995 backhoe by the year 2024 or opt to repower the equipment with a qualified engine. Staff recommends the purchase of a new mini excavator, to ensure that the District's only method of excavation will not be relegated to only the 2018 Case without redundancy for emergencies. Replacing the current equipment with a qualified engine is not deemed cost-effective.

The purchase of a mini excavator is in line with the District's Strategic Plan vision to remain on track with the maintenance and replacement of our water infrastructure as necessary and the mission to efficiently provide authorized services and maximize resources for the benefit of the community. The trailer will provide a 14,000-pound carrying capacity to transport the mini-excavator to work sites with the District's larger pick-ups, thus eliminating the need to mobilize the large dump truck and trailer which will increase efficiency.

Per Section 6D of the District's Purchasing Policy, "Exemptions to Competitive Bidding" this item was not advertised for bids because staff deemed, "advertisement for competitive bidding would be undesirable, impractical, or impossible." Staff feels that advertising in a publication for an equipment purchase would not produce an advantage as equipment pricing is a volatile market.

FISCAL IMPACT

Mini-Excavator \$68,938.45; Tilt Trailer \$9,738; Total \$78,676.45

Staff & General Manager's Report

Parks, Recreation & Street Lighting Report APRIL 2023

Introduction

The District Parks and Recreation Department operates and maintains community centers, senior centers, parks and streetlights. The District currently has two community centers, one located in Phelan and another in Pinon Hills. Adjacent to each of the centers are two parks that have playgrounds, basketball courts and shaded picnic tables. Parks and recreation are a vital component to any community. It not only adds beauty, but provides safe areas for activities of individuals, families, and groups. The parks are available for use from morning until dusk. The community centers are utilized for a wide range of activities and are available to the community for a small fee. The District currently offers several events and activities, and continues to work on various recreation ideas and continues to partner with local civic groups creating programs that are beneficial to the community at large.

The Parks and Recreation Department realizes the importance of long-range planning to preserve and protect our valuable assets and to allow for efficient use of resources for future growth. The efficient use of resources will allow the District to acquire, develop, operate, and maintain a park and recreation system which enriches the quality of life for residents and visitors alike, and preserves it for future generations. The District continues to develop a sustainable park system that will be supported by decisions that provide services at a sustainable rate, such as providing infrastructure that can be reasonably maintained while setting realistic targets on programs and services.

The District currently owns four vacant parcels for future parks and recreation facilities, a 55 acre parcel on Johnson Road, an 80 acre parcel on Sheep Creek Road, a 25 acre parcel on Chateau Road and a 4 acre parcel on Warbler Road that includes an adjacent 10 acre parcel off of Sahara Road.

The streetlights primarily service the business district of Phelan. There are also lights at strategic intersections to help in providing safety to the community. Expansion of the street lighting to other intersections is considered based upon a safety need, but the District does respect the San Bernardino County “Dark Sky” ordinance and encourages residents to do the same.

Monthly Activity Report

The following report details the number of community center rentals and activities for the month:

Grants

- **SB 1383 Local Compliance Grant**
 - Submitted in January 2022. The District was awarded \$20,000. Grant funds have been used to pay for Solid Waste consultant.
- **Small Scale Water Efficiency Grant**
 - \$75,000 to be disbursed when meters for Phase 3a are purchased.
- **Community Project Funding Request - 2023**

- Staff submitted a Community Project Funding Request (“Request”) in the amount of \$2 million to help fund a portion of the Civic Center Project which will house the Community/Board Room that also will serve as the area’s Community Emergency Operations Center. The \$2 million request was funded in the FY2023 Omnibus appropriations bill which the Senate and House passed at the end of December. CalOES issued grant documents to the District to complete as they will be administering the funds.
- **Community Project Funding Request - 2024**
 - Staff submitted a Community Project Funding Request (“Request”) in the amount of \$2,000,000 to help fund a Tank 6A-2. Staff is pleased to report the District’s full Request was selected by the Congressman as one of the 15 projects he submitted to the House Appropriations Committee.
 - There is an approximately year-long process before final approval and receipt of funds. The Request must be reviewed and approved by the House Appropriations Committee who will then craft legislation in the form of funding bills which are then consolidated with the Senate Appropriations Committee’s funding bills. The consolidated funding bill is then signed into law by the President and funding is then distributed. After funding is distributed, the District will have approximately 12-24 months to complete the project and is subject to an audit by the Government Accountability Office. During this time, it is possible that funding for such Requests may disappear, however all indications show that funding is likely to continue for now.
- **County American Rescue Program Act (ARPA) Funds**
 - Staff worked with consultants and submitted a request to the county. The county has preliminarily approved \$457,194 in ARPA funds for construction of certain parks elements. The contract was approved by the District’s Board on 3/8/2023 and has been submitted to the County and is awaiting Board of Supervisors for ratification, expected mid-June.
- **Land and Water Conservation Grant**
 - Staff is working with consultants on a project submittal for this year. Submittals are due in June.

Learn How To:

Find Leaks In Your Irrigation System

Three Steps to Take if You Have a Leak in Your Irrigation System

1. Check for Irrigation Controller Problems

- Although irrigation controllers do not leak, they contain an electrical clock that controls your spring valves.
- The clock triggers the release of water through sprinkler/drip valves and keeps the valves open for a predetermined time period.
- Check the controller's programming to make sure it hasn't changed or returned to a default setting that increases water usage.
- In some cases, irrigation controllers may keep sprinkler/drip systems running for hours if misprogrammed.

2. Check Your Irrigation Valves

- Valve boxes should be dry, not flooded.
- Wet valve boxes may indicate loose wiring, water leaking due to damaged fittings, or worn parts.

3. Leaky Sprinklers and Drip Lines

- Look for flooding around the base of sprinklers.
- Water sprays/geysers usually indicate missing spray heads.
- Water spraying between sprinklers or drip heads could mean you have a cracked lateral line.
- Water pooling on the ground usually indicates a steady leak coming from an underground line.
 - Water spurting from a sprinkler or drip valve could mean that a seal is broken where the riser or nozzle connects to the underground supply line.

Pro Tip:

It's a good idea to check your irrigation controller first, valves second, and sprinklers last. Use brightly colored irrigation flags to mark areas you suspect may be leaking.

Notice of Water Rate Change

The District provides water service to approximately 7,100 customers, and monthly water service fees are the primary source of revenue to operate the water system. Revenues received from water service fees are used solely to fund the water enterprise. The objective of the proposed five-year rate schedule is to fully fund operations, address capital replacement, and adequately build-up reserves to meet reserve policies through Fiscal Year 2025-2026. In addition, the District needs to ensure adequate funding to address additional capital and operating expenses. The new rates for the District's water service fees were adopted by the Board on December 1, 2021, after a noticed public hearing and several public meetings. The new rates are based on a comprehensive rate study prepared by an independent consultant.

Water rates for all District customers are scheduled to change. The new rates will begin July 1, 2023, and will be reflected on your billing statement received in August.
